FILTER	Location ▾	new york	career advancement	GO

Review	Sentiment	Company	Location	Status	Category	Relevance
The job itself is easy but can be stressful due to the passengers and the attitudes they give you. Its a great place to make advances and promotions and the hours were great. Although the management is questionable its a great place to expand your career with the U.S Government.	Neutral	Department-of-Homeland-Security	New York State	TSA Officer (Former Employee)	Government	MARK AS IRRELEVANT

3. Geospatial Search
